Brooke Hughes — 5.0 I'm obsessed with Christina! My family and I have used her for all of our events for years. From photo shoots, to prom, to bridesmaid makeup, and my wedding. We have been through so much together. She is practically apart of our family!:) I'm very picky with my appearance and she has always made me feel very comfortable and always done above and beyond! Her work is flawless! If I could have her do my makeup everyday I would!! I can't wait to meet your partner! I know she's just as wonderful as you are!!
