Luxe and Lotus came to the rescue when my wedding makeup artist canceled the morning of my wedding! Upon being notified of the cancellation at 2 am the morning of, I frantically called several makeup artists to see if they were available. Fortunately, I called Luxe and Lotus and Bridgette picked up my phone call at 2 am! I cannot thank them enough for working on my makeup, especially with such short notice. They came promptly at the time that I asked them to and they were ready to go. Also, they were both so sweet and fun ladies to work with. My makeup turned out great, and although there was so much stress involved with the original makeup artist's cancellation the night before my wedding, I'm glad it turned out the way it did. Again, can't thank y'all enough for saving the day! Thanks so much ladies!

Brigette and Cristina were professional through and through! I can count the times I've had my makeup professionally done on one hand and these two ladies made me feel so comfortable! They walked me through every step of the process and went above and beyond to make sure that I was 100% comfortable with my look. It was amazing! I felt so beautiful and loved my look! I recommend their services wholeheartedly and will work with them again!

Brigette was amazing! Christina & Brigette both were so much fun and made me feel so comfortable while getting my make up done. I'm not used to wearing a lot of make up and I was very happy with the end result 😊
